CAREER PLUS

Career Plus (age 18+) offers a flexible and supportive pathway for adults to earn their high school diploma, without the pressure of a high-stakes test. Designed specifically for Georgians age 18 and older who have not yet earned a diploma, the program combines academic learning with hands-on training in high-demand career fields. Students can complete coursework at their own pace while gaining valuable, industry-recognized certifications that open doors to meaningful employment opportunities. Take control of your future, build your education, grow your skills, and enjoy the rewards of a career you can be proud of.
