- These levels offer ample parking capacity and controlled pedestrian pathways into the venue.

Parking Operations Notes

- Parking deck parking is free for SCTC graduation.
- Vehicles will enter the parking deck via Shepperton Way, with wayfinding signage directing drivers to appropriate levels.
- SCTC Event Staff and ADA parking areas should be clearly marked and supported by event staff or security personnel.

SCTC will host two graduation ceremonies on the same day:

- 10:00 a.m. Ceremony
 - Doors open at 8:00 a.m.
- 2:00 p.m. Ceremony
 - Doors open at 12:00 p.m.

To ensure adequate parking availability for all attendees, guests and students attending the 10:00 a.m. ceremony who park in the parking deck are asked to exit the parking deck no later than 11:30 a.m. This will allow sufficient time and space for parking turnover in preparation for the 2:00 p.m. ceremony.

We appreciate your cooperation in helping us provide a smooth and orderly experience for all graduates and guests
