

Accounting Fundamentals Certificate (AF21)- 14 Credit Hours

Program Description:

The Accounting Fundamentals Technical certificate program provides students with skills needed to perform a variety of basic accounting applications. The accounting coursework exposes students to the basic tenets of financial accounting and income tax law. Students are introduced to computers and exposed to a variety of software applications used in the business field. Graduates may be employed as entry-level tax preparers in a variety of state and local government, educational services, healthcare, and accounting services industries. Starting salaries are approximately \$31,000 per year. This certificate is eligible for State Aid only.
