

Advanced Dental Assisting (AD21)—15 Credit Hours

Program Description:

The Advanced Dental Assisting program prepares students for employment in a variety of positions in today's dental offices. The program provides learning opportunities which develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement. Additionally, the program provides opportunities to upgrade present knowledge and skills in the area of dental assisting. Grading standards for dental assisting (DENA) courses are very stringent. A grade of C or better is required in all classes.
