

Business Management Degree (MD13)- 64 Credit Hours

Program Description:

The Business Management program is designed to prepare students for entry into management and supervisory occupations in a variety of businesses and industries. Learning opportunities will introduce, develop, and reinforce academic and occupational knowledge, skills, and attitudes required for job acquisition, retention, and advancement in management. Graduates of the program receive a Business Management degree with a specialization in General Management, Human Resource Management, Logistics Management, Service Sector Management, or Small Business Management.
