

Film Production Electrical/Lighting Technician I Certificate (BT21)- 12 Credit Hours

Program Description:

This program is designed to prepare entry level workers for a job as a production assistant assigned to the electrical department in the film and TV/video production industry, with an emphasis in the day-to-day working environment of the electrical/lighting and corporate production operation. With skills in production protocol, proficiency in industry standard equipment, operations and logistical support, knowledge of workplace and production hierarchy and the overall production business, these students will possess the skillset to enter the highly competitive film and TV production marketplace with an advantage over their untrained counterparts.
