

## Freight Brokerage Certificate (FB11) 16 Credit Hours

**Program Description:**

The Freight Brokerage Certificate (TCC) is the first of its kind in the state of Georgia. It is designed to provide a general knowledge of freight brokerage, logistics and supply chain processes and practices, including logistics management basics, supply chain management, transportation management, freight brokerage operations and small business management. It will be comprised of [LOGI 1000](#), [SCMA 1000](#), [SCMA 1003](#), [MGMT 2150](#), as well as an institutionally-developed course, "Freight Brokerage Operations/LOGI 2000." This course will provide an overview of the planning, development, and execution of non-asset based freight brokerage transportation management services as well as focus on the process for obtaining a brokerage license, daily operations, building a shipper customer base, completing RFP/bids, negotiate rates, sourcing and qualifying motor carriers, federal, state, and local regulations, and gaining a detailed understanding of the diverse types of cargo as well as their respective transportation requirements and the dispatch process.
