

Georgia Film Academy On-Set Production Assistant Certificate (GF21)- 18 Credit Hours

Program Description:

This program is offered in collaboration with the Georgia Film Academy. It provides an introduction to the skills used in on-set film production, including all forms of narrative media which utilize film-industry standard organizational structure, professional equipment, and on-set procedures. In addition to the use of topical lectures and instructional resources, the course includes demonstrations of equipment and set operations as well as hands-on learning experiences. Students will learn film production organizational structure; job descriptions and duties in various film craft areas; film equipment functions and protocols; how the various film craft related to one-another on a working set as well as how and why they all must operate in sync; and networking and self-marketing skills.
