

Healthcare Professional Certificate (HP41)—36 Credit Hours

If you are pursuing a competitive healthcare program, please follow your intended program advising plan

Program Description:

The Healthcare Professional Technical Certificate of Credit provides academic and career-related foundations to prepare students for employment and subsequent upward mobility in health delivery fields. Graduates may choose to further their education through a growing number of associate degree healthcare programs or pursue entry-level healthcare support positions in a wide variety of laboratory and direct healthcare settings.
