

Nurse Aide Accelerated Certificate (NAA1) 3 Credit Hours

Program Description:

The Nurse Aide Accelerated Technical Certificate of Credit prepares students with classroom training and practice as well as the clinical experience necessary to care for patients in various settings including nursing care facilities, general medical and surgical hospitals, community care facilities for the elderly, and home health care services. After the completion of the State approved training program, the candidate must take and pass the competency evaluation examination. The examination includes a written/oral and skills competency examination administered by an approved testing agency. Candidates who successfully pass the written/oral and skills competency examination are included on the Georgia Nurse Aide Registry.
