

## **Summer 2021**

### **How the CARES3 Funds will be disbursed to students:**

#### **1. One-time Disbursement**

The COVID-19 Pandemic has impacted the College's students in a variety of ways creating financial hardships related to employment, housing, childcare, food, utilities, and medical expenses. To address these hardships, the College is providing its eligible **summer term 2021** students, excluding International, DACA students, and transient students an emergency stipend to help relieve the financial hardship caused by COVID-19.

### **How Students are Identified for Summer 2021 Disbursements**

The College used data from the 2020-2021 FAFSA to identify 3,056 currently enrolled students as eligible for the one-time disbursement totaling **\$951,300.00**. The student Estimated Family Contribution (EFC) determined which students were Pell eligible. These students were deemed to be most likely in need of financial assistance. The award amount will be calculated based on the number of credit hours in which students are enrolled during **summer term 2021**:

- Pell eligible (with zero EFC) Full-time students enrolled in 12 credit hours or more will receive \$600.00 grant award
- Pell eligible (with zero EFC) part-time students enrolled in 11-1 credit hours will receive a \$400.00 grant award
- Pell eligible students (EFC 1- 5711) will receive a \$350.00 grant award
- Students with EFC 5712 and higher (Non-Pell eligible students, including those without a 2020-2021 FAFSA on file) will receive a \$300.00 grant award
