

What are my Login Credentials?

Login credentials are your login ID and your password to access the TTE system.

Your login is your employee ID@sog.ga.gov (i.e., 00123456@sog.ga.gov).

Your initial password will be provided to you by your agency Local TTE Administrator. This password is changed when you login to TTE the first time.

If you forgot your password, you can reset it yourself from the [TTE Login Page](#): Additional instructions for Self-Service Password Reset are located on the: <https://sao.georgia.gov/logging> page of the SAO website.

If you still cannot login, please contact your TTE Local Administrator for assistance.
