

# National Student Loan Data System (NSLDS)

Institutions are required to inform prospective student and parent borrowers that federal loans will be submitted to the National Student Loan Data System (NSLDS) and will be accessible by guaranty agencies, lenders and institutions determined to be authorized users of the data system.

Southern Crescent Technical College submits all loan information to NSLDS. This information will be accessible to guaranty agencies, lenders, and institutions determined to be authorized users of the data system.

The [National Student Loan Data System](#) (NSLDS) is the U.S. Department of Education's central database for student aid. It receives data from schools, agencies that guaranty loans, the Direct Loan program, the Pell Grant program, and other U.S. Department of Education programs. NSLDS provides a centralized, integrated view of Title IV loans and Pell grants that are tracked through their entire cycle; from aid approval through closure.
